## Your vet details

Name of your Veterinary Surgeon .....

Practice Name .....

Address .....

Email .....

What are your key concerns with your pet?

How would you like me to help you and your pet with physiotherapy?

When did you first observe the signs of the problem?

When did you notice the problem becoming more persistent?

When did you first discuss these with your vet?

Does your pet have any allergies or dietary sensitivities?

Before we can book a physiotherapy appointment we need the following information, from you:

1. Your vet will need to refer your pet. There is an online physiotherapy referral form or pdf document for your vet to complete and submit.
2. In view of GDPR you will need to give your vet your consent so they can send your pet's clinical history, including specialist referral discharge reports. Please can you liaise with them about this.
3. Please forward recent videos of how your pet is sitting to standing and walking and send via WhatsApp to 07802 404703 or email to [enquiries@physioforpets.co.uk](mailto:enquiries@physioforpets.co.uk)
4. Please read Physio For Pets - Privacy Policy on our website [www.physioforpets.co.uk](http://www.physioforpets.co.uk)
5. Please tick the box to confirm your consent
6. Please read Physio For Pets - Covid 19 Health & Safety Policy on our website [www.physioforpets.co.uk](http://www.physioforpets.co.uk)
7. Please tick the box to confirm you have read and understood

If you need any help, please contact by sending an email to [enquiries@physioforpets.co.uk](mailto:enquiries@physioforpets.co.uk).
